PLUS SUPER SONIC PIN-UP, JURASSIC ZONE ART & MORE!

# CONTROL ZONE

Hey, Boomers,

Hold your horses! I know you've been wondering where Super Sonic went to which is why this issue features an exclusive Whatever Happened To Super Sonic story (together with a fantastic Pin-up in the centre-pages).

Want to know what else is in the firing-line? Well Sonic's coming at you in Unnatural Disasters and in Invasion of the Veg Heads, plus those mad Decappers have the holiday from hell in Life With The Snagsbys! Finally, dig deep within this issue and you'll discover some of your own fantastic artwork in the Jurassic Zone!

Ever wondered how STC can offer so much entertainment without spoiling you, Boomers? No, I've not figured it out either but I might have in two weeks time - see you then!

*Megadroid*

## LETTER LEADS!

Hundreds of letters (and drawings) are sent to STC each week, but only a few of them get printed in Speedlines. Why, you ask? Well, unfortunately, there isn't enough space to print everything that arrives.

To help ensure your work stands a better chance of getting selected, follow the following guidelines for a chance of fame and your name in STC.

1. Please keep them short and to the point!
2. Write neatly and clearly.
3. Include your name and full address (if you don't we can't send you your prize!).
4. Don't challenge us not to print your letter!

Lastly, even though the huns-who-think-they're-in-charge would like to reply to each Boomer, there'd be no time to bring out the comic if they did! So, please accept STC's thanks for all your input and look out for the selected letters in Speedlines.

To help get your artwork selected in future  
Crayola competitions, please follow the guidelines below:

Draw in paint or felt tip pen on plain white paper  
(avoid lined paper and pencils or crayons as they  
don't show up as well when printed).

Be original and don't copy pictures from the

comic - come up with your own ideas.

Include your name and address, preferably  
written in capital letters on the back of  
the page.

Send artwork to:

GRAPHIC ZONE, SCENE THE COMIC,

## THE LEADER!

Dear Megadroid,

You are always on about the women and men who help you put *STC* together (you call them "humes"), but us Boomers never actually see them. I am starting to think that the so called "humes" do not exist but that there are thousands of other droids, and you're their leader! Furthermore, I think you plan to take over the world by brainwashing us through your comic and getting us to join you, so why don't you admit that this is your plan!

Gareth Brown, Gypsyville, Hull.  
A 15 year old MD owner.  
Sonic 2 Crucial Cup Winner.

OK, Gareth, I admit it - I'm the leader of the gang I am! Actually, with an imagination like yours perhaps you could write a script or two!

## BOOMER AID!

Dear *STC*,

My sister Amy (just a coincidence!) is just mad about Sonic and asked me to help her make up a Sonic album. We got to work and it turned out really well, which is why we decided to send it to you to calm your nerves while you're slaving around the office!

## ART ATTACK!

Dear Megadroid,

I noticed in *STC* 97's Change of Art Zone artwork drawn by Kimberley Talbot which I admired a lot! I have to say that I couldn't have done it better myself, which is why I would like to ask her a question in private about her techniques. So if you're reading this Kimberley, could you send me your address! *STC* keep up the good work and I hope you never end!  
Bhavesh Patel, Bow, London.  
Sonic 2 Crucial Cup Winner.  
MD, MS, GG, 32X, MCD, Saturn owner.

You've got quite an  
interesting technique  
yourself, Bhavesh! Over  
to you Kimberley...
